Free GIC Executive Briefing on AI and machine learning in a pandemic with Patrick T. Harker, President and CEO of the Federal Reserve Bank of Philadelphia

TWEET: Join @interdependence on Tuesday, October 6 for a free Executive Briefing on AI and machine learning in a pandemic with Patrick T. Harker, President and CEO of the @philadelphiafed. Complimentary registration is available: <https://bit.ly/2Go2mrb>

PHILADELPHIA, PA-

WHAT **Pandemic: Accelerating AI and Machine Learning? A Cross-Industry Update** is the theme of this Executive Briefing. Attendees will gain context and perspective regarding COVID-19's effect on artificial intelligence and leveraging big data in this pandemic, as well as a keynote address and economic outlook by Patrick T. Harker, the President and CEO of the Federal Reserve Bank of Philadelphia. This virtual event is a continuation of GIC's examination of cross-industry impacts of artificial intelligence, machine learning, and big data and will consist of prepared remarks and a live audience Q&A. Media is asked to refrain from participating in the Q&A.

WHO

- Patrick T. Harker, President and Chief Executive Officer, Federal Reserve Bank of Philadelphia
- John P. Donohue, Vice President of Information Services Enterprise Services, Penn Medicine
- Greg Driscoll, Senior Vice President of Service Operations and Chief Information Officer, Penn Mutual
- *Moderator:* Peter A. Gold, Esq., GIC Vice Chair, College of Central Bankers, and Founder and President of TheGoldGroup, LLC

WHEN Tuesday, October 6, 2020 | 12:00 – 1:30 p.m. EDT

WHERE Virtual event held via GoToWebinar

About the Global Interdependence Center: The Global Interdependence Center (GIC) is a Philadelphia-based nonprofit organization that seeks to stimulate thoughtful, global dialogue on a wide range of issues that affect the international community, including economics, health care and government. GIC convenes conferences and roundtable discussions, both domestically and internationally, to identify and address emerging global issues. For more information, visit GIC's website at www.interdependence.org.
