

COLLEGE OF CENTRAL BANKERS SYMPOSIUM NEW YORK

Global Citizen Award

Date: Tuesday, December 3, 2024

Time: 7:00PM

Venue: New York Athletic Club

We invite you to join GIC as we honor our longstanding Board Member, **J. Paul Horne**, with our 2024 **Global Citizen Award**.

The Global Citizen Award is given to individuals who have demonstrated, in their business or personal lives, a commitment to the principles set forth in our mission and vision. Recipients of the Global Citizen Award have been strong advocates of GIC's efforts to be a leader in influencing world policies for the greater good through cooperative, international engagement among diverse thought leaders.

Paul Horne is an active independent international market economist since retiring as a managing director and European equity market economist at Salomon Smith Barney/ Citigroup in London. In addition to the Global Interdependence Center, he is on the Boards of the Committee for the Republic in Washington, DC and the American Library of Paris Foundation. He writes for The European Institute (supported by the University of Maryland and the Bertelsmann Foundation) and is on the forecasting and editorial panels of the National Association for Business Economics. He and Mrs. Horne live in Alexandria, VA.

Paul has been a dedicated supporter of GIC for over 30 years. As a longstanding Board Member, Paul's involvement and support of the organization has been instrumental, especially in coordinating GIC's biennial programming in Paris, where Paul has generously hosted our Members' Roundtable Meetings at the historical Cercle de l'Union Interalliée. Paul's unwavering commitment to the GIC College of Central Bankers has facilitated the platform's significant growth from its inception in 2018. We are pleased to recognize Paul for his ongoing contribution and dedication to the Global Interdependence Center and the College of Central Bankers, and we are happy to announce him as the recipient of this year's Global Citizen Award.

The award presentation will take place at the CCB Symposium Dinner on December 3rd at the NYAC. Registration is now available.
